Polish Genealogical Society of California
2015 - Membership Renewal

Time to renew and we are offering something new! You have a choice whether to receive the Bulletin digitally by email, or a printed copy sent 1st class mail. The membership year is January 1 through December 31 and renewals are due now. Make sure we have all your current contact information. Do not miss any *Bulletins*, announcements or emails. Your membership is very important to us.

Regular meetings are held at the Los Angeles Family History Library. If you're unable to attend, the quarterly *Bulletins* and the PGS-CA website will keep you informed. PGS-CA serves the interests of Polish people by encouraging and promoting family history research. According to the INS, immigrant aliens admitted to the U.S. during 1899-1931 and counted by ethnicity, listed Poles at 1,508,653 (the fourth highest arrivals). Stay connected with your Polish roots and renew today!

- Are your surnames on our website? Send in additions and corrections on the Surname Form, available on the web site: pgsca.org.
- Consider a gift membership to a family member who might join you in your genealogy research, or to a Polish friend who wants to pursue their family history.
- If you would like to make an additional contribution of $10 or more above your membership fee, you will be acknowledged in the *Bulletin* as a "Sustaining" member.
